## **President's Message**

First, I want to congratulate all of the ribbon winners at the Reading Art Association's Annual Spring Exhibit and Sale. It was a wonderful time as we celebrated our 60th Anniversary.

I also want to thank the Reading Garden Club for their wonderful arrangement of flowers which represented four pieces of art.

I also want to thank you, all of the members of The Reading Art Association for not only adding to the tradition and history of the organization, but for your wonderful contributions of sharing, promoting, and educating art within the community. Reading Art Association is an organization that goes far beyond the art, we are a family.

I look forward to seeing what the future holds and as we welcome new members, I am also looking forward to see that tradition and history that makes this organization special continue to grow and flourish.

Thank You  
Rick

## **To our Art Exhibit crew**

I want to express a special thanks to all who faithfully come and gave their time and came to help put together another art show. This Spring art show was very successful and enjoyed by the many who turned out to come and view it.

Each exhibit takes a total of 50 people willing to help in order to put together our exhibits. So when I receive a "yes" to my phone calls, it is very encouraging to know that Reading Art is still an organization wanting to share and promote art.

I would like to thank Lexie Donahue who continually prepares our greeting cards, which are always an important addition to our art show, for sharing her lovely paper flower creations to add color and beauty to the room.

With thanks again to all ....our success is because of you,  
Grace Cherwek  
Exhibit Chair
