## September - October 2021

### RAA 2021 - 2022 Season

The board of the Reading Art Association met at the beginning of September to discuss the possibilities of holding our normal events for 2021 - 2022. The conclusion that we came to was that demonstrations in the fall are not viable, however we can start to plan for an exhibition in November. We are keeping open the possibility of starting demonstrations again in the spring, but that will depend on the circumstances at that time.

The scope of the November show will be reduced to make it more flexible in view of the resurgence of Covid-19. Here are the new rules.

There will be no refreshments served.

There will be no judging or awards.

The time that the show will be open will include only Friday evening and Saturday daytime.

Only one painting is allowed for each artist.

The only entry fee will be your dues for the year.

The dates that we are talking about are delivery on Thursday, November 11, Grand Opening on Friday, November 12 from 7 p.m. to 9 p.m., and open on Saturday, November 13 from 10 a.m. to 3 p.m. Please keep in mind that these dates and times remain flexible due to the fact that we cannot predict what the new Covid-19 surge will do. They can be modified or canceled at any time. we are still working out the details. Stay tuned for details and updates.

### President's Message

Hi Everyone,

I hope you are all doing well and staying healthy and have been keeping the creative juices flowing. I hope you all had a great Summer. Now that the fall is fast approaching, the Reading Art Association Board will be meeting to discuss the upcoming season, I am happy to say that we are planning on having a Fall Exhibit, as long as all goes well and we don't have another lockdown or see a surge in the number of positive COVID cases.

Please view the Reading Art Website at [www.readingart.org](http://www.readingart.org) for news and updates about the upcoming season.

Please continue to stay safe and I hope to see you all in the near future.

- Rick

### Message from your Mixed Media Editor

As Rick mentioned, preliminary planning is under way to stage a fall show.

The RAA web site continues to post news, so check the website, [readingart.org](http://readingart.org), for last minute updates.

As you probably know already, Mixed Media is now available only online, so I will not repeat the rationale for that move. We continue to publish the news that we have and make it available for download as a pdf file.

The Mixed Media is available for download on the web site as a .pdf document as it has been for years.

-Brian

## In Memoriam Ruth Camber

Back in May we lost another long time RAA member, Ruth Camber. Ruth was always in attendance at the RAA demos and shows, and always with a smile on her face. She was on the RAA Board for many years, helping to keep the organization going. Ruth will be very much missed.
